1. Legal Terms & Binding Agreement

By participating in this skill exchange, both parties (User X and User Y) hereby acknowledge that this document constitutes a legally binding agreement. Participants agree to perform the services described in the negotiation history with professional due diligence and mutual respect. This platform serves as a facilitator, and the responsibility for service delivery lies solely with the participants.

2. Default and Breach of Contract: In the event that one party has fulfilled their obligation (provided the skill/work) and the second party fails, refuses, or neglects to fulfill their reciprocal obligation without a valid legal reason, the defaulting party shall be held in breach of contract. The aggrieved party shall have the right to file an official complaint. **Upon verification, the defaulting party shall be legally required to compensate the aggrieved party with an amount equal to DOUBLE (2x) the estimated market value of the work performed.**
